

# Connecting to Wifi: <u>Mac</u>

### Step 1.

Click on the Wifi icon at the top right of your screen.

🗯 Finder File Edit View Go Window Help

#### Step 2.

Select your wifi network.

Students: Select the <u>Students</u> network.

**Employees:** Select the *Faculty* network.

#### Step 3.

It will ask you for your User name and Password.

Here you will enter in your Pacific Oaks User name and Password.

Authenticating to network "students"
Please enter your name:
student
Please enter your password:
Cancel OK

#### Step 4.

You may or may not receive a warning asking you if you want to connect. Select "Connect"

#### Step 5.

Your computer will prompt you to enter in your personal password. This password is the same you use to log into your computer.

	Type your password to allow System Preferences to make changes.	
	Name: Password:	
► Details	Cancel OK	

## Faqs

- 1. The user name is case sensitive.
- 2. POC user name is the first part of your email.

Student Example: Abc1234@po.pacificoaks.edu

Employee Example: Jdoe@pacificoaks.edu

- 3. The password is case sensitive.
- 4. Make sure you have selected the right wifi network.
- 5. Make sure that your wifi is enabled on your laptop. Turn "airport"

on.
