

GLOBAL Distinction

Graduate with Global Distinction!

Apply to the Pacific Oaks Student Global Distinction Program and upon program completion, add a global distinction to your transcript and be recognized at graduation!

What: The Global Distinction program asks students to commit to a globally focused career by participating in international education opportunities and reflecting upon the value of international perspective. To receive distinction, students must:

- Attend and reflect on 4 virtual GLOBE Talks
- Complete a course that includes international engagement or attend a study abroad program
- Submit a capstone paper for review

When: Applications are received on a rolling basis. Participants will complete the program requirements independently and submit their capstone paper prior to their intended graduation date.

Join our upcoming info session on 1/19/2023 @ 12pm PDT/2pm CDT/3pm EDT- [Register Here!](#)

Apply: Apply to the program using the [Global Distinction application form](#). Your application will be reviewed to ensure you are a current student in good standing.
